

Poštovani čitaoci,

Ni deset godina od početka opsade grada, Sarajevo nije dobilo svoju "knjigu mrtvih". *Dani* su pokušali da po prvi put objave cjelovite spiskove poginulih sarajevskih branitelja i civila ubijenih u gradu. Zahvaljujući Udruženju Muslimana za antigenocidne aktivnosti (MAG), te općinskim ministarstvima za boračka pitanja, dobili smo spiskove koji su pred vama. Unatoč ogromnim naporima koje smo uložili u kompletiranje spiskova, svjesni smo da ni oni nisu potpuni, mada su najpotpuniji do sada napravljeni. Stoga vas molimo za razumijevanje zbog eventualnih nedostataka ovog priloga: neka naš pokušaj bude još jedan poziv nadležnim organima da se od zaborava otrgnu oni koji su u slobodu Sarajeva ugradili vlastite živote.
